CIRCULAR NO-RMSE/006/2020-2021

Date - 21.07.2020

Dear Parent

Hope you are all keeping well. With your support we have been able to cover the syllabus upto July very effectively. The reciprocation by the children has been heartwarming. As COVID-19 is a very uncertain period and the studies should progress steadily.so ,our next step will be assessment which begins from 3rdAugust2020 for classes I- VIII. It is going to be a very simple excercise and whatever has been taught so far will be split into Unit Test-1, Test-2 and Test-3. For classes 1 to 7 the assessment will be purely objective. Time table and Portions will be sent every week. Let us together take on new challenges and explore possibilities of educating and getting educated together.

Regards

Principal
